Datasheet

HP EliteBook 850 G3 Notebook PC

Impressively thin and light, the HP EliteBook 850 empowers users to create, connect, and collaborate, using enterprise-class performance technology that helps keep you productive in and out of the office.

- Windows 10 Pro¹
- Screen Size: 15.6” diagonal

Portable powerhouse
Combine high performance technology and long battery life with Windows 10 Pro,² 6th Gen Intel® Core™ processors,² and a PCIe Gen3 SSD.³ Drive performance with DDR4 memory technology and dual storage options³ that provide fast and easy access to for demanding business applications and fast access to data.

Slim new design with all the right ports
Connect to essential ports without the hassle of dongles. At just 19.4 mm, the ultraslim and light HP EliteBook 850 comes with VGA, Display Port, RJ-45 USB, USB-C, and enterprise docking capabilities.

Strong security, powerful manageability
Protect, detect, and recover from malicious attacks with HP Sure Start with Dynamic Protection - the industry’s first self-healing BIOS that monitors and corrects BIOS corruption every 15 minutes.

Designed for collaboration
Replace your speaker phone with the HP EliteBook 850 with Audio by Bang & Olufsen plus HP Noise Reduction Software that provides a rich collaboration experience for optional applications like Skype for Business.³

Featuring
- Power through your day with Windows 10 Pro and the powerful, sleek, thin, and light HP EliteBook 850.
- HP Sure Start with Dynamic Protection checks your BIOS every 15 minutes to detect attacks and corruption then self-heals the BIOS automatically.
- Enjoy a remarkable balance of comfort and feedback with the HP Premium Keyboard with a full numeric keypad.
- Get the speed and space you need without having to use external storage. Dual drive support options quickly boot, wake, and run your system on a fast SSD4 and let you maintain access to your files with a high-capacity HDD.⁴
- AMD Radeon™ R7 discrete graphics³ deliver visually stunning images and video.
- Expand your system’s memory, battery, storage, and WWAN components.⁴
- Experience the difference with HP Clear Sound AMP and the HP EliteBook 850 speakers.
- Suppress background noise including keyboard clicks with HP Noise Reduction Software.
### HP EliteBook 850 G3 Notebook PC Specifications Table

</table>
### Weight
Starting at 4.15 lb (non-touch); Starting at 4.54 lb (touch)
Starting at 1.88 kg (non-touch); Starting at 2.06 kg (touch)
(Weight will vary by configuration.)

### Environmental
Low halogen

### Energy Efficiency Compliance
ENERGY STAR® certified configurations available
HP EliteBook 850 G3 Notebook PC

Accessories and services (not included)

**HP 2013 UltraSlim Docking Station**

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP 2013 UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

*Product number: D9Y32AA*

**HP Conferencing Keyboard**

Drive your Microsoft Lync voice and video calls directly from your HP Conferencing Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys.

*Product number: K8P74AA*

**HP Docking Station Cable Lock**

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

*Product number: AU656AA*

**HP Master Keyed Docking Station Cable Lock**

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

*Product number: AY474AA*

**HP 15.6 Executive Brown Top Load**

Protect your bag’s contents while you’re on the move with the brown HP Executive Top Load, which has a lockable, double-teeth zippered notebook compartment, secure RFID pocket to safeguard your ID, and a discrete pocket for the optional HP TrackR Device.

*Product number: PGN19AA*
Messaging Footnotes
1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
2 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
3 Sold separately or as an option feature.
4 WWAN is an optional feature and use requires separately purchased service contract. Check with service provider for coverage and availability in your area.

Technical Specifications Footnotes
1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
2 This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data files, photos, etc.1 before uninstalling and installing operating systems to avoid loss of your data.
3 Available for China with touch only.
4 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
5 Some vPro™ functionality, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future “virtual appliances” applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.
6 Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
7 For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8 and 10) is reserved for system recovery software.
8 All wireless options are sold separately or as optional features.
9 For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited. The specifications for the 802.11ac: WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac: WLAN devices.
10 WWAN is an optional feature and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.
11 Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you’re doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast.
12 Intel WiDi Pro support requires Intel vPro processor, Intel Graphics, and Intel 2x2 ac: WLAN.
13 HD content required to view HD images.
14 Bitprint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/go/businessmobileprinting.
15 HP Mobile Connect Pro is available in select EMEA countries and requires prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect.
16 HP Client Security requires Windows.
17 HP vPro technology is dependent on 3rd party software providers. Microsoft Windows required.
18 vPro technology is dependent on 3rd party software providers. Microsoft Windows required.
19 HP 3D DriveGuard requires Windows.
20 Available for China with touch only.
21 External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
22 This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the end of 2015 via HP Customer Support.
23 Intel’s numbering is not a measurement of higher performance.
24 BIOSphere features may vary.
