Datasheet

HP Elite x3

Join the new mobile revolution. The HP Elite x3 combines PC power and productivity, tablet portability, and smartphone connectivity in a single, astoundingly sleek, enterprise-secure, and tested-tough device that can dock with your screens and keyboards when you need to work big.

- Windows 10 Mobile
- 5.96-inch display

A revolution in mobility
Work in ways you've never been able to before. For the first time, the HP Elite x3 puts the power of a PC in the palm of your hand, with a revolutionary high-performance processor, Windows 10 Mobile, and access to your corporate apps with HP Workspace.

Truly seamless
The HP Elite x3 is HP's first built-for-business mobile device to deliver seamless phablet, laptop and desktop business productivity in a single device. Effortlessly switch between screens when you dock to a large display with Windows Continuum.

Access your corporate apps on the go
Designed by HP to enable a new level of business mobility, HP Workspace lets you run your most frequently-used Windows and corporate applications virtually.

Built for business
The HP Elite x3 is ready for work with business-grade security, HP support, and durability that's dust- and water-resistant and designed to pass MIL-STD 810G testing.

Featuring
- The HP Elite x3 has all the best features you expect in a mobile device, with a long-life battery, wireless charging, an edge-to-edge display, Audio by B&O PLAY, and two high-resolution cameras.
- Be productive on all your screens with Windows 10 Mobile, which has business-grade security and a customized app store and requires virtually no learning curve for Windows 7 and XP users.
- Never compromise. Get more done faster using the HP Elite x3 with the optional HP Elite x3 Lap Dock or HP Desk Dock.
- Lock down access to your device and data with integrated security measures.
- Configure exactly what you need with a range of HP-exclusive options designed and tested to extend and maximize the HP Elite x3.
- Take sharp pictures, capture video, and more, with the flash-enabled 16 MP rear camera and front-facing 8 MP camera.
- Trust your investment, backed by HP's world-class, worldwide one-year limited warranty.

</thead>
</table>
| **HP Elite x3 Desk Dock**     | Reinvent your desktop workspace with the ultra-compact HP Desk Dock, which quickly charges your HP Elite x3 and uses its pocket-sized PC power to maximize your Windows 10 Mobile productivity on an external display, keyboard, and mouse.  
   **Product number:** V5H01AA |
| **HP Elite x3 Lap Dock**      | Boost your HP Elite x3 productivity with Windows Continuum and HP Workspace multi-screen and multi-app flexibility on the HP Elite x3 Lap Dock, which delivers a premium notebook experience with a virtually borderless 12.5" diagonal FHD screen, full keyboard, and clickpad at a breakthrough value.  
   **Product number:** X7P15AA |
| **HP 12W USB Auto Adapter**   | Conveniently charge your USB mobile devices while in your vehicle. The HP 12W USB Auto Adapter provides a regulated charge when plugged into the vehicle’s accessory power outlet.  
   **Product number:** G4H12AA |
| **HP USB-C to HDMI Adapter**  | Project your notebook or tablet’s high-definition video and audio content to an external display, TV, or projector with the HP USB-C to HDMI Adapter.  
   **Product number:** N9K77AA |
| **HP Elite x3 Anti-Shatter Glass Screen Protector** | Help protect your HP Elite x3 screen during the most rough-and-tumble of days with the HP Elite x3 Anti-Shatter Glass Screen Protector, which delivers maximum screen protection up to 9H hardness while retaining all of your touchscreen interactivity.  
   **Product number:** W8W94AA |
| **HP Elite x3 Rugged Case**   | Shield your HP Elite x3 from whatever the day may bring with the anti-slip grip, shock-absorbing HP Elite x3 Rugged Case, which is designed to pass MIL-STD drop testing up to 6 feet (1.8 m).  
   **Product number:** V8Z63AA |
| **HP Elite x3 Wireless Charger** | Reduce your cable clutter and save time spent searching for the right adapter with the always-ready, always-on, HP Elite x3 Wireless Charger, which uses Qi inductive charging technology to wirelessly charge your HP Elite x3.  
   **Product number:** W9A82AA |

Messaging Footnotes

1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS-update to take full advantage of Windows functionality. Windows 10 Mobile is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.

2 Optional dock and sold separately. Peripherals sold separately.

3 HP Workspace software update for Windows 10 required and planned in a future release. Subscription required. Corporate application must be licensed on corporate network for virtualization.

4 Based on HP's internal analysis as of May 11, 2016 of mobile devices preinstalled with Windows 10 Mobile, designed to pass MIL-STD 810G and IP67 testing, the ability to run virtualized corporate apps on a big screen using the optional dock, and a biometric solution for security.

5 For multi-screen Continuum experience, one of the following accessories are required: 1) HP Elite x3 Desk Dock using USB-C™ to DisplayPort connection to external display, 2) HP Elite x3 Lap Dock using USB-C™ connection to HP Elite x3 Lap’s integrated display, 3) Dongle using USB-C™ to DisplayPort, HDMI or VGA connection to external display, 4) Miracast-enabled external display or Miracast dongle attached to an external display. All docks and dongles sold separately.

6 IP 67 testing is pending. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

7 MIL-STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. MIL-STD 810G test results are not a guarantee of future performance under these test conditions. Damage under the MIL-STD 810G test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

8 Supports Qi and PMA standards. Wireless charging pad sold separately.

9 Apps sold separately. App availability and experience may vary by market.

10 Sold separately.

11 Sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS-update to take full advantage of Windows functionality. Windows 10 Mobile is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.

2 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm’s numbering is not a measurement of clock speed.

3 For storage, GB = 1 billion bytes. Actual formatted capacity is less. Up to 24 GB is reserved for system recovery software.

4 For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited. The specifications for the 802.11a: WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11a: WLAN devices.

5 Wi-Fi requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.

6 Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you’re doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast.

7 HD content required to view HD images.

8 Fingerprint Reader software for update Windows 10 Mobile required and planned in a future release.

9 HP Workspace software update for Windows 10 required and planned in a future release. Subscription required. Corporate application must be licensed on corporate network for virtualization.

10 IP 67 testing is pending. Test results are not a guarantee of future performance under these test conditions. Damage under the test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

11 MIL-STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

12 Broadband requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available in all regions.

13 Wireless charging requires the optional HP Elite x3 Wireless Charger and is sold separately.

14 MicroSD cards sold separately. Supports up to 2 TB capacity when this capacity becomes available.
