This HP LaserJet with JetIntelligence combines performance, energy efficiency, and security.

This HP LaserJet Printer with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network from attacks with the industry’s deepest security.

The world’s most secure printing
- With HP Sure Start, each printer regularly checks its operating code and repairs itself from attempted hacks.
- Run-time intrusion detection continually monitors to detect and stop attacks, then automatically reboots.
- Centralize control of your printing environment with HP Web Jetadmin—and help build business efficiency.
- Give workgroups what they need to succeed. Easily choose and deploy over 180 HP and third-party solutions.

High-speed performance meets energy efficiency
- Speed through tasks and save paper. Print two-sided documents nearly as fast as single-sided.
- This printer wakes up fast and prints your first page faster—in as quickly as 7.8 seconds.
- This printer uses exceptionally low amounts of energy thanks to its innovative design and toner technology.
- Paper handling options include a 550-sheet input feeder for paper sizes A6 to legal.

More, Pages, Performance, and Protection
- Produce sharp text, bold blacks, and crisp graphics with precision black toner.
- Original HP Toner cartridges with JetIntelligence deliver more pages per cartridge than predecessors.
- Help retain the Original HP quality you paid for with anti-fraud and cartridge authentication technology.
- Spend less time replacing toner, and more on business. Choose high-yield toner cartridges.

1 Based on HP review of 2016 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit http://www.hp.com/go/PrintersThatProtect. For more information: http://www.hp.com/go/printersecurityclaims. 2 HP Web Jetadmin is available for download at no additional charge at http://www.hp.com/go/webjetadmin. 3 Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. 4 Measured using ENERGY STAR® program’s Typical Electricity Consumption (TED) method (as reported in energystar.gov versus the top three leading competitors as of 8/2015. Actual results may vary. For details see http://www.hp.com/go/Ljclaims
Product walkthrough

1. Hardware Integration Pocket
2. 2.7-inch (6.9 cm) color graphics display with keypad
3. Easy-access USB port
4. 100-sheet multipurpose tray
5. Front door access to toner cartridges
6. 550-sheet input tray
7. 500-sheet output bin
8. Automatic two-sided printing
9. Host USB port
10. Host USB port
11. Gigabit Ethernet network port
12. Hi-Speed USB 2.0 printing port

*An administrator must enable the easy-access USB port before use. **Measured using ISO/IEC 24734; includes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, drive, and document complexity. **Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase. HIP not available on the HP LaserJet Enterprise M607n and M608n. All models come standard with the 100-sheet multipurpose tray and 550-sheet tray. The HP LaserJet Enterprise M608x and M609x models come with one additional 550-sheet paper feeder, and can add up to three additional optional 550-sheet paper feeders and the optional 2,100-sheet paper feeder. The M607n, M607dn, M608n, M608dn, and M609n models can add up to four additional 550-sheet paper feeders and the optional 2,100-sheet paper feeder. **Wi-Fi Direct printing is embedded in the HP LaserJet Enterprise M608x and M609x models. All other models can add wireless direct with the purchase of the optional HP Jetdirect 3000w NFC/Wireless Direct Accessory. Mobile device needs to be connected directly to the signal of the Wi-Fi Direct®-supported MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance®. **Touch-to-print capability is optional for all models (except M608n and M609x) with purchase of the optional HP Jetdirect 3000w NFC/Wireless Direct Accessory. Mobile device must support Near Field Communication (NFC)-enabled printing. For more information, see hp.com/go/businessmobileprinting. **All models can add wireless networking with the purchase of the optional HP Jetdirect 2900nw Print Server. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections. **Bluetooth Low Energy is standard only on the HP LaserJet Enterprise M608x and M609x models, and it cannot be added to other models. Bluetooth is a trademark owned by its proprietor and used by HP Inc. under license.
HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.

Next Business Day Onsite with Defective Media Retention:
Customers can retain their hard disk drive and keep control of sensitive data.

Next Business Day Exchange:
Ships a permanent replacement unit overnight via premium airfreight, if hardware issue cannot be resolved remotely. Shipping charges are prepaid by HP.

Same Day Onsite – 4 hour 9x5 and 13x5:
Sends an HP technician to customers’ site the same business day for repair, within 4 hours, if the issue cannot be resolved through remote support. Various support window times are available, for different requirements.

For carepack availability visit: hp.com/go/cpc

Top features

Only HP Enterprise printers repair themselves from attacks in real time while offering outstanding manageability. Automatically monitor threats, detect intrusions, and validate operating software while centrally managing your fleet with ease.

With speeds up to 55 pages per minute, fast first page out, and a variety of paper-handling options, you get confidence that your employees can speed through their tasks without interruption.

Accessories

- L0H17A - HP LaserJet 550-Sheet Paper feeder
- L0H18A - HP LaserJet 2100 sheet Paper feeder
- L0H19A - HP LaserJet Printer Stand
- LOH20A - HP LaserJet Stapler/Stacker/ Mailbox
- LOH21A - HP Envelope Feeder
- B5L28A - HP Internal USB Ports
- B5L29A - HP Secure High Perf Hard Disk Drive
- J8031A - HP Jetdirect 2900nw Print Server
- FS562A - HP Trusted Platform Module Accessory
- G6W84A - 1 GB Memory DIMM Kit
- LOH22A - HP Extension Tray Cover

Supplies

- J8J96A - HP Staple Cartridge Refill,
- LOH24A - HP LaserJet 110v Maintenance Kit
- LOH25A - HP LaserJet 220v Maintenance Kit
- CF237A - HP 37A Black Original LaserJet Toner Cartridge (11,000 yield)

Services

- U9MU2E - HP 5 year Next Business Day HW Support w/Defective Media Retention
- U9MU5E - HP 5 year 4 hour 9x5 HW Support w/Defective Media Retention

### System Requirements

- **Processor**: Intel Core i3, i5, i7, or AMD equivalent
- **Memory**: 4 GB or more
- **Hard Drive**: 160 GB or more
- **USB Port**: Available

### Features

- **Energy Star certified**
- **Blueprint**
- **EPEAT Silver/Gold certified**
- **4-in-1 print, copy, scan, fax**
- **High-speed print speeds**
- **Duplex printing**
- **Automatic two-sided copying**
- **One-touch copy**
- **Scan to email**
- **Scan to network**

1. EPEAT® registered applicable: EPEAT® registration varies by country. See http://www.epeat.net for registration status by country. 2. Includes card kits 11, yields 11,400 black pages based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on image prints and other factors. 3. For details see http://www.hp.com/go/lasertoner. 4. Power requirements are based on the country/region where the printer is sold. Do not connect to operate. 5. Damage may impair the product warranty. 6. Energy Star value varies based on measurement of 115 V device. 7. Based on the BA TE method with the following possible exceptions: 1 minute or less sleep-duty, Wi-Fi disabled. 8. Average color-charge compatible (CMYK) and black declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on image prints and other factors. 9. For details see http://www.hp.com/go/karmazinpublic. 10. May require a firmware update to be compatible, download at http://www.hp.com/go/support. 11. Measured using ISO/IEC 19798. 12. Includes first set of test documents. For more information see http://www.hp.com/go/printers. 13. May vary depending on the system configuration. 14. Requires features such as support, application, driver, and document complexity. 15. HP EWS is a non-optional software. Firmware encryption (AES 128 or AES-256) and user data protection, Secure Cryptographic Erase (Secure Job data, Job Data, Job Data), On-Demand Encryption (128-bit AES in counter mode) and Secure Erase. 16. Declared yield in accordance with ISO/IEC 19798. 17. Actual yields vary considerably based on image prints and other factors. 18. For more information visit http://www.hp.com/go/karmazinpublic.
