Accomplish more with your time
- Create professional-quality color documents, and speed through tasks with super-fast two-sided printing.¹
- Choose the MFP that’s the smallest in its class, and prints from sleep mode faster than comparable devices.²
- Access time-saving apps from the 3-inch (7.6 cm) touchscreen, and scan directly to email and the cloud.³
- Easily print Microsoft® Word and PowerPoint® documents—now directly from your USB drive.⁴

Easy mobile printing options
- Print to this MFP with just a touch of your NFC-enabled mobile device—no network needed.⁴
- Count on wireless direct printing in the office—from mobile devices—without accessing the company network.⁴
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.³

More. Pages, Performance, and Protection.
- Get more pages than ever before—using Original HP High-Yield Color Toner cartridges with JetIntelligence.³
- Count on professional quality at high speeds—HP ColorSphere 3 toner works best with your HP printer.
- Get the authentic HP quality you paid for with anti-fraud technology.
- Print right away with preinstalled toner cartridges. Replace them with optional high-yield cartridges.⁵

Meet everyday IT challenges head-on
- Safeguard data and easily manage devices with a suite of essential security and management features.
- Easily access, print, and share resources with Ethernet and wireless networking.⁴
- Increase security, restore control, and help avoid additional expenses—with HP JetAdvantage Private Print.⁶

¹ Comparison based on manufacturers’ published specifications (as of November 2014) and includes color laser multifunction printers (MFPs) with print speed between 11 and 20 pages per minute (ppm). ² Requires a wireless access point and an Internet connection to the printer. Services require registration. App availability varies by country, language, and agreements. For details, visit hpconnected.com. ³ Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. ⁴ Some features require purchase of optional modules. ⁵ For more information, see hp.com/support. ⁶ Based on cartridge yields for HP 131A compared with HP 201X Original HP LaserJet Toner Cartridges. For more information, see hp.com/support. ⁷ Microsoft and PowerPoint are U.S. registered trademarks of the Microsoft group of companies. Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin-language fonts are supported. ⁸ High-yield Original HP 201X LaserJet Toner cartridges not included; please purchase separately. ⁹ Available only in North America. HP JetAdvantage Private Print is available at no charge and requires that the printer be connected to the Internet with web services enabled. For more information, see hpconnected.com
