Security and protection
McAfee LiveSafe™: Protect your operating system with a free 30-day McAfee LiveSafe™ trial.

61 Not all features are available in all editions or versions of Windows. Systems may require upgrading and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com/60 Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and speed will vary depending on application workload and your hardware and software configurations. Intel’s number is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries. 62 Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboshoot/for more information. 63 Internet access required and not included. Subscription required after 30 days trial period. McAfee, LiveSafe and the McAfee logo are trademarks or registered trademarks of McAfee, Inc. in the United States and other countries. 64 Internet access required and not included. Availability of public wireless access points limited. 65 Shared video memory (SMM) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. 66 Actual optimized capacity is less. Portion of internal storage is reserved for preloaded content. 67 Wireless access point and Internet service required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the PC to communicate with other 802.11ac WLAN devices. 68 Bluetooth® is a trademark owned by its proprietor and used by HP under license. 69 EPEAT® Silver registered where applicable. BREAT registration varies by country. See www.epeat.net for registration status by country. 70 Free recycling in select countries. Program may not be available in your area. Check www.hp.com/recycle to see if HP offers free recycling for your area. 71 Full HD Definition (FHD) content is required to view FHD images. 72 Transfer rate may vary. All performance specifications represent the typical specifications provided by HP’s component manufacturers; actual performance may vary either higher or lower. 73 USB Type-C™ and USB-IF are trademarks of USB Implementers Forum, Inc. Call 1-800-474-6386 or www.support.hp.com for more information on Care Packs available after 90 days. After 90 days, an incident fee may apply. 74 For more information visit hp.com/go/supportassist (Link will vary outside of the U.S.). HP Support Assistant is available for Android and Windows based PCs. 75 Internet connection required for setup and connecting to HP Support. 76 Based on HP internal testing using CrystalDiskMark benchmarking software. Performance is sequentially read-only compared to traditional 5,400 rpm HDD. 77 EPEAT® Silver registered where applicable. Based on HP internal testing using CrystalDiskMark benchmarking software. Performance is sequentially read-only compared to traditional 5,400 rpm HDD. 78 Some features including voice supported Cortana, Inking, and Continuum require more advanced hardware. See www.windows.com. Apps sold separately.
79 External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen. 80 ENERGY STAR and the ENERGY STAR logo are registered trademarks owned by the U.S. Environmental Protection Agency. 81 Designation based on actions to reduce transportation-related emissions. 82 Windows 10/11 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See http://www.hp.com/go/ for additional details. 83 Recharge your battery up to 90% within 90 minutes when the system is off (using “shut down” command). Recommended for use with HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After a full recharge, 90% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre, HP Envy, HP Omen and HP Pavilion PC models. See http://store.hp.com for a full list of product features. 84 HP Orbit: This bridge between your PC and mobile device lets you share mobile content right to your PC with a simple, secure WiFi connection. Service starts from date of hardware purchase. Restrictions and limitations apply. HP Care Packs™ are sold separately. See www.hp.com/go/carepack-services for details. 85 Requires an internet connection, not included, to an HP web-enabled printer and HP ePrint account registration. For complete details, see www.hp.com/go/mobileprinting. Features may require software or other 3rd party applications to provide the described functionality. Internet service required and not included. Actual product may vary from image shown. © Copyright 2017 HP Development Company, L.P.
