Increase productivity
Reduce the direct and indirect costs of enterprise imaging and printing with the HP Color LaserJet CM3530 MFP series. This device sits on a desktop, yet has all the features of a high-performance color MFP—with print, copy, scan, digital send, and fax capabilities. Enhance work team productivity with black-and-white and color print speeds up to 31 pages per minute (ppm), letter (30 ppm, A4). Time To Completion of a typical office print job can be up to 40 percent faster with Instant-on Technology.2

Count on reliable, consistent, high-gloss, high-quality printing with HP ImageREt 3600 and improved HP ColorSphere toner. Meet your specific business needs with support for a range of paper sizes and types, including glossy and heavy paper.

Reduce total costs
Save time while providing greater value to users and your business. Easily control who can print in color and how much with HP’s Color Access Control technology. Auto Color Sensing detects whether a document is color or mono and adjusts settings accordingly. Cut paper consumption with standard automatic two-sided printing and copying.

Get black prints for the same cost as on a black-and-white HP LaserJet MFP—and you can still print in color!3 Choose the high-capacity black print cartridge for even more value.

Create professional-looking documents in-house and make the desired impression on employees and customers for less than the cost of outsourcing.

---

1 Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.
2 Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.
3 Compared to the HP LaserJet M3035MFP series, using HP Q7551X print cartridge. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images, number of color pages printed or copied and other factors (including frequency of TCU replacement).
HP Color LaserJet CM3530 MFP series

1. External USB host port for font cards or third-party solutions
2. A powerful 515 MHz processor and 512 MB memory, expandable to 1 GB
3. Two internal USB host ports for font cards or third-party solutions
4. Hi-Speed USB 2.0 port provides simple connections
5. Built-in faxing
6. HP Jetdirect Gigabit Ethernet embedded print server
7. FIH port and open EIO slot for third-party solutions and optional connectivity
8. Hardware Integration Pocket for security solutions
9. 50-sheet ADF and legal/A4 flatbed scanner
10. Intuitive Easy Select color touchscreen control panel with a built-in help function
11. Convenience stapler
12. 250-sheet output bin
13. One-door access to the four preinstalled print cartridges with ColorSphere toner and the toner collection unit
14. Automatic two-sided printing
15. 250-sheet input tray with the option to add a 500-sheet input tray 3 for a maximum input capacity of 850 sheets
16. Single-door paper path access
17. 100-sheet multipurpose tray for specialty papers

Reduce risks and increase operational effectiveness.

Accelerate business results
Streamline document-intensive processes and leverage your network for business advantage. By adding the optional 500-sheet paper and heavy media tray, you can easily expand the device’s input capacity to 850 sheets. The CM3530fs model includes embedded fax capability and a convenience stapler for even greater efficiency.

Integrate documents into workflows with embedded send-to-email and send-to-folder functionality. Optional HP Digital Sending software (HP DSS)^4 enables documents to be sent to FTP sites, network folders, and fax services.

Get the most out of your MFP with HP accessories, supplies, and services.

500-sheet Paper and Heavy Media Tray
Print on a range of paper types in sizes from 5.83 by 8.27 in (148 by 210 mm) to 8.5 by 14 in (216 by 356 mm) while increasing total input capacity to up to 850 sheets.

HP LaserJet MFP Analog Fax Accessory 500
Support efficient information sharing and improve work team productivity (standard on the CM3530fs model). The HP portfolio of business publishing paper is optimized for HP ColorSphere toner and is available in a variety of sizes, finishes, and weights.

HP Support Services
Minimize the cost of downtime. Because downtime can have serious business consequences, HP provides high-quality services to help you avoid unbudgeted repair costs. Rely on expert technical phone support and consistent, predictable delivery of services—even across multiple locations.

- Installation Service with Network Configuration: expert assembly of HP accessories, hardware verification, network configuration, and basic administrator familiarization
- Same Day Onsite Service: technician arrives at your site within four hours after service call is received, if this time falls within the coverage window
  - HP 3-year Next Business Day Hardware Support UL358E
  - HP 3-year 4-hour 13 by 5 Same Day Hardware Support UL359E
- Next Day Onsite Service: onsite service next business day after service call
  - HP 3-year Next Business Day Hardware Support UK937A/E
  - HP 4-year Next Business Day Hardware Support UL356E
  - HP 5-year Next Business Day Hardware Support UL357E
- Post-warranty Service: extend coverage beyond the HP warranty period
  - HP 1-year Post-warranty 4-hour 9 by 5 Hardware Support UL365PE
  - HP 1-year Post-warranty 4-hour 13 by 5 Hardware Support UL366PE
  - HP 1-year Post-warranty Next Business Day HW Support UL364PE

These services and additional coverage options can be purchased as HP Care Pack Services or HP Contractual Services. HP also offers HP Managed Print Services: scalable assessment, procurement, implementation, management, maintenance, support, and workflow services.
