ENERGY STAR® Qualified Product

*Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. Duty cycle is defined as the maximum number of pages per month of images output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. Requires an Internet connection to the printer. Feature works with any connected Internet- and e-mail-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see hp.com/go/epsonetcenter. And for additional solutions, see hp.com/go/mobile-printing-solutions. Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone® 3G or later, iPod touch® 3rd generation or later. Works with HP’s AirPrint™ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries. Maximum paper capacity of 4350 sheets is available only on the M775dn with the addition of the optional 3500-sheet high-capacity input and optional 500-sheet tray. Fax capabilities are met with an optional fax card on the HP LaserJet Enterprise 700 color MFP M775f. Requires an Internet connection to HP Web-enabled printer and HP ePrint account registration for a list of eligible printers, supported documents and image types and other HP ePrint details, see hp.com/go/epsonetcenter. Mobile devices require Internet connection and e-mail capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades. 1 Color access control capabilities vary from device to device. Solutions deployed through the hardware integration pocket may require additional purchase. 2 Printing policies can be set through HP EcoSMART Fleet, which must be purchased separately. 3 Savings from Instant-on Technology, compared with products that use traditional fusing and from Instant-on Copy, when compared with products that use traditional fusing and cold cathode fluorescent lamp copying.
