Get a low purchase price and a great value in a reliable, high-quality black-and-white laser printer.

Enjoy fast print speeds, professional-quality output, and flexible connectivity options with the easy-to-use, value-packed HP LaserJet P2035 Printer series.

Productivity at a great price
Get your documents and get back to work quickly with print speeds of up to 30 pages per minute (ppm) on letter size paper. Time To Completion for a typical office print job can be nearly two times faster with the Instant-on Technology built into this printer.1

Quickly connect the printer to your computer with the Hi-Speed USB 2.0 port. Share the printer and efficiently utilize resources with built-in Ethernet/Fast Ethernet networking on the P2035n model.

Easily print a variety of black-and-white documents—including index cards and prescription-size forms—with support for a range of media sizes and types.

High-quality output and design
Print professional office documents with up to 600 by 600 dpi thanks to Resolution Enhancement technology (RET). And because HP print cartridges and paper are designed together, you can depend on consistently excellent print quality.

Save valuable desktop space and still enjoy convenient access to the printer with its sleek, space-saving design. Reduce operation noise with the printer’s unique Quiet mode.2

Radically simple operation
Enjoy at-a-glance printer and supplies status and easily navigate printer functions with the simple control panel.

Maintain your printer more effectively and avoid unexpected down time. With HP SureSupply and intelligence built into the cartridge, you’ll receive alerts when supplies are low, enabling convenient supplies shopping and ordering.3 Manage 2 to 20 HP inkjet and LaserJet devices, control color costs, and reorder Original HP supplies with HP Easy Printer Care Software.4

1 Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

2 When Quiet mode is selected, the printer operates at half speed.

3 HP SureSupply program features and availability may vary by country. For more information, visit www.hp.com/learn/suresupply.

4 In addition to supporting most HP LaserJets, HP Easy Printer Care Software now supports a wide variety of inkjet devices, including HP Officejet Pros, HP Officejets, HP Photosmarts, and HP Deskjets. Please access the compatible printer list at www.hp.com/go/epc for details.
HP LaserJet P2035 Printer series

1. 150-sheet output bin
2. One-door access to the easy-to-install all-in-one print cartridge
3. Adjustable 50-sheet multipurpose input tray
4. 250-sheet input tray
5. Rear output door provides a straight-through path for specialty media
6. Security device slot
7. Hi-Speed USB 2.0 port for direct-connect printing
8. IEEE 1284-compliant parallel port
9. 16 MB of memory and a 266 MHz processor perform complex tasks quickly

Easy to use and maintain, this printer is also easy on the environment.

Implements your printing experience

Produce a broad range of business documents with the right look and feel. The multipurpose tray supports a variety of print media, including different types, sizes, and weights of paper, envelopes, labels, overhead transparencies, postcards, card stock, and more. Replenish the paper tray less often with the 50-sheet multipurpose tray and 250-sheet standard input tray, for a 300-sheet total input capacity.

The all-in-one print cartridge is designed for simplicity and reliability, incorporating the toner, engaging mechanism, and imaging drum in one supply—so you refresh the printer every time an Original HP cartridge is installed.

Quickly and accurately process complex print jobs without the cost of buying additional memory using the host-based print driver, a 266 MHz processor, and 16 MB of memory.

Environmentally responsible

Reduce your energy use. Instant-on Technology in HP LaserJet devices provides up to 50 percent energy savings over traditional fusing while providing a first-page-out in seconds. HP estimates that Instant-on Technology has reduced emissions by 5.25 million tons of CO2 to date—the equivalent of removing 1.1 million cars from the road for one year.¹

Cut paper consumption and save money with manual two-sided printing. Save even more paper with N-up printing, which allows you to place multiple document pages on a single printed page.

Recycle cartridges through HP Planet Partners. This industry-leading program gives companies around the world an easy and environmentally conscious way to return hardware and print supplies for recycling after use.⁶

Get the most out of your printer with HP accessories, supplies, and services.

HP’s print cartridges and toner are specifically designed to deliver consistent quality and reliable, trouble-free printing.

HP Support Services

The cost of printer downtime

For many organizations, the ability to print anything, anytime, anywhere at affordable costs is important to business operations. Because HP LaserJet printers are central to business success, HP provides high-quality services beyond the standard warranty.

Benefits
• Reduce printing infrastructure costs
• Maximize uptime
• Expert technical phone support
• Predictable, consistent service delivery across multiple locations

Choose, depending on your location:
• Next Day Exchange Service—a unit is shipped to you overnight; you send the damaged unit back
• Return Service—take unit into depot
• Next Day Onsite Service—technician-d elivered onsite service the next business day after the service call.

These options are available as HP Care Pack Services or HP Contractual Services. HP Managed Print Services provide everything from devices and toner cartridges, to installation, management, maintenance, and support.

For more information, visit: www.hp.com/go/printservices.

¹ The tons of CO₂ avoided is based on power plant emissions that otherwise would occur to generate the electricity saved; cars removed is based on annual emissions from cars burning gasoline.

² Program availability varies. HP printing supplies return and recycling is currently available in more than 45 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners program.

³ Replacement cartridge: Average black cartridge yield 2,300 standard pages. Declared yield values for replacement cartridges in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.

### Connectivity

- **Interfaces**: IEEE 1284-compliant parallel port, one Hi-Speed USB 2.0 port
- **Languages and fonts**: Host-based, HP PCL5e; 45 scalable TrueType fonts
- **Client operating systems**: Microsoft® Windows 2000 (drivers only), XP® Home, XP Professional, XP Professional x64 (drivers only), Windows Server 2003, Windows Server 2003 x64, Certified for Windows Vista®, Windows Vista x64, Windows NT 4.0 (PCL5 driver on web only); Linux; UNIX®; Mac OS X v10.3.9, v10.4.3, v10.5
- **Network operating systems**: Via optional HP Jetdirect print server: Microsoft Windows 2000 (drivers only), XP Home, XP Professional, XP Professional x64 (drivers only), Windows Server 2003, Windows Server 2003 x64, Windows Vista, Windows Vista x64; Novell, Linux, UNIX, Mac OS X v10.3.9, v10.4.3, v10.5
- **Network protocols**: TCP/IP; Bonjour compatible
- **Security**: SNMP (community name), password-protected HP Embedded Web Server

### Environmental ranges

- **Recommended temperature**: 63.5 to 77 degrees F
- **Storage temperature**: -4 to 140 degrees F
- **Recommended relative humidity**: 30 to 70 percent
- **Storage relative humidity**: 10 to 90 percent
- **Altitude**: Up to 13,000 ft

### Acoustics

- **Sound power**: Active: 6.8 dB(A); Ready: inaudible
- **Bystander sound pressure**: Active: 54 dB(A); Ready: inaudible

### Power specifications

- **Required input voltage**: 110 to 127 V (± 10 percent); 60 Hz (± 2 Hz)
- **Power consumption**: Active: 550 watts; Sleep: 7 watts; Ready: 7 watts; OFF: 0.4 watts
- **Typical Electricity Consumption (TEC)**: 1.949 kWh/week

---

8. Speed specifications have been updated to reflect current industry testing methods.  
9. HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.  
10. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.  
12. The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.
