Professional color, intuitive manageability, and world-class extensibility—all for an outstanding value. Help your business prints make more of an impact—produce high-quality color marketing materials and more. Count on HP for energy-saving features.

Make your business look its best with high-performance color—without paying extra for black-only printing

• Create realistic color and crisp details that you can depend on, using HP EasyColor technology.
• Increase color accuracy with HP ImageREt 3600 and HP ColorSphere toner technology.
• Achieve low-cost, high-quality printing right out of the box. This HP LaserJet ships with a complete set of cartridges—on average, nearly two times more black toner and more than two times the color toner of leading competitors—a value of approximately $350.11
• Print black text affordably, using an optional high-capacity black toner cartridge.2, 4

Invest in a printer that’s as easy to use as it is to manage

• Manage jobs directly from the printer with a four-color line display, and easily print from a flash drive.5
• Make printing as mobile as you are with HP ePrint.6
• Secure jobs via user authentication, and protect data with an HP High-Performance Secure Hard Disk.3
• Easily control color usage with HP Color Access Control, plus proactively manage printing environments.

Consistently update and manage printing capabilities with HP FutureSmart Firmware

• Easily update, manage and expand the capabilities of networked printers, and do more with your investment.
• Add capabilities to your HP LaserJet when you take advantage of HP Solutions Business Partner program.
• Integrate optional productivity and security solutions through the hardware integration pocket.5, 7
• Increase productivity—get up to 1100-sheet paper capacity for large printing jobs.3

Reduce energy use by 19% to 66% by setting the Auto-On/Auto-Off mode.8 Save paper with automatic two-sided printing.5

• Reduce energy with HP Auto-On/Auto-Off Technology.8
• Also save with Instant-on Technology.9
• Save time with convenient cartridge installation, and get free, easy cartridge recycling.10
• Conserve resources and save paper, using automatic two-sided printing—get up to 50% paper-savings.5

1The 1 x 500 sheet feeder may be purchased separately for the HP LaserJet Enterprise 500 Series Printers. The HP 507X Black LaserJet Toner Cartridge not included; please purchase separately. The HP High-Performance Secure Hard Disk available only on the HP LaserJet Enterprise 500 color M551 Series printer. Compared with HP LaserJet Enterprise P3015 Series. Assuming customer is printing at least 30% of total pages in color with content similar to the color ISO/IEC 19798 test suite (iso.org/presscenter) and overall average job length of three pages. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of color pages printed, and other factors. Automatic two-sided printing, walk-up USB and hardware integration pocket available only on the HP LaserJet Enterprise 500 color M551 Series printer and on the HP LaserJet Enterprise 500 color M551 Series printer. Requires an Internet connection to the printer. Feature works with any Internet- and e-mail-capable device. Print times may vary. For a list of supported documents and image types, see hp.com/go/printersetup. Some HP LaserJet products will require a firmware upgrade. Solutions deployed through the hardware integration pocket may require additional purchase. Energy savings based on internal HP testing of Auto-On/Auto-Off setting compared to default setting. Minimum savings based on a 45-minute sleep delay. Maximum savings based on a 1-minute sleep delay. Actual results may vary. Compared with products that use traditional fusing. “Program availability varies. HP print cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit hp.com/recycle.” Calculated value of black and color toner that ships with the printer and the majority of top competitive printers by market share based on estimated U.S. retail price of standard replacement toner cartridges reported by Gap Intelligence as of 08/01/11.

Eco Highlights

HP LaserJet Enterprise 500 Color M551 Series

Eco Information

• Save energy—HP Auto-On/Auto-Off Technology turns your printer on when you need it, Off when you don’t.1
• Reduce energy use with Instant-on Technology.9
• Free, convenient cartridge recycling in 53 countries.

EcoResponsible HP LaserJet Enterprise 500 Color M551 Series

• HP Auto-On and Auto-Off capabilities subject to printer and settings.
• Compared with products that use traditional fusing.

hp.com/ecosolutions

Please recycle your computing hardware and printing supplies. HP asset management and recycling services make responsible disposal easy.

Eco-Responsible Product
HP LaserJet Enterprise 500 color M551 Series

1. Hardware Integration Pocket for solution integration
2. Walk-up USB port
3. 4-line graphical color display
4. Front door allows convenient access to four, all-in-one HP toner cartridges
5. Built-in automatic two-sided printing
6. 100-sheet multipurpose tray 1 handles heavy custom media up to 58 lb bond
7. On/Off button
8. Two 500-sheet input trays for a 1,100-sheet total input capacity
9. USB port for a third-party device
10. Slot for a cable-type security lock
11. Hi-Speed USB 2.0 printing port
12. HP Jetdirect Gigabit Ethernet embedded print server
13. 1024 MB total memory and an 800 MHz processor quickly handle complex print jobs
14. Embedded HP High Performance Secure Hard Disk
15. Two internal host USB 2.0-type ports for 3rd party solutions

The HP LaserJet Enterprise 500 color M551 printer series gives productivity a boost with the power of color. The printer’s top features are highlighted below. For a more in-depth look at these features and their benefits, see the pages that follow.

**Business-boosting color**
HP EasyColor technology detects document content and automatically adjusts color rendering to optimize photos and streamline printing.
HP ImageREt 3600 and HP ColorSphere combine to produce consistent, professional results with crisp, glossy text and lifelike images.
A complete set of Original HP toner cartridges comes pre-installed, delivering superior results out of the box. The optional high-capacity black toner cartridge can save you time and money.

**Market-leading manageability**
HP Web Jetadmin and the HP Universal Print Driver enable your administrators to centrally manage large imaging and printing fleets composed of both HP and non-HP devices.
HP Color Access Control lets you curb the costs of color.
Let HP ePrint revolutionize the way you think about printing. Print from your smartphone to any registered printer on your network with a few clicks.
User authentication and the HP High Performance Secure Hard Disk keep your sensitive documents private.

**Inventive expandability**
HP FutureSmart firmware can extend the value of your investments by making it possible to run new solutions on existing hardware while saving your IT workforce time and effort.
HP Solutions Business Partners offers HP certified solutions to improve productivity by meeting your unique business needs.
Attach security solutions to the control panel’s hardware integration pocket for a seamless appearance.
The 1,100-sheet paper capacity can reduce intervention and hassle.

**Outstanding energy and paper savings**
HP Auto-On/Auto-Off technology can save significant energy costs with one simple function.
HP EcoSMART Fleet lets you monitor and manage your energy usage across the printing fleet.
Easy cartridge installation and free cartridge recycling takes the worry out of supplies management.
Automatic two-sided printing can save you up to 50% on your paper usage.

---

**Get the most out of your printer with HP accessories, supplies, and services.**

**500-sheet Paper Tray**
Improve productivity with impressive paper capacity, using this workhorse color laser printer. Get up to 1100-sheet capacity to save time and complete large print jobs without reloading. Gain media flexibility while decreasing time spent loading paper.

**HP Services**
Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

- **Optimized Care** (optimum performance and stability):
  - 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

- **Standard Care** (high level of uptime):
  - Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

- **Basic Care** (minimum recommended support)
  - Next Business Day Onsite Support

**4 hr Onsite Support**: Onsite support within four hours after a service call received within the coverage window

**Next Business Day Onsite Support**: Onsite service the next business day after the service call is received

**Maintenance Kit Replacement Service**: Onsite replacement of your printer’s maintenance kit including parts, materials, and labor

**Installation with Network Configuration Service**: Assembly, network configuration, and basic administrator familiarization

For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit [hp.com/go/printservices](http://hp.com/go/printservices).

---

1. Using genuine HP supplies ensures availability of all HP printing features. 2. The HP 507X Black LaserJet toner cartridge is not included; please purchase separately. 3. Requires an Internet connection to the printer. Feature works with any Internet- and email-capable device. 4. Print times may vary. For a list of supported documents and image types, see [hp.com/go/eprintcenter](http://hp.com/go/eprintcenter). Some HP LaserJet products will require a firmware upgrade. May require a firmware upgrade. Mobile device must be wireless-enabled, which requires an optional accessory kit, available late 2011. Printer must be HP ePrint-enabled. Features may require driver or apps, available for download at [hp.com/go/eprintcenter]. 5. Standard and optional features vary by model. Please see “Series at a glance” on page 22. 6. HP Auto-On/Auto-Off capabilities subject to printer and settings. Compare energy consumption of HP LaserJets with HP Auto-Off Technology to top competing models based on market share as of September 2010. Energy consumption based on HP internal testing using U.S. EPA ENERGY STAR® program’s typical Electricity Consumption (TEC) method or TEC value found at energystar.gov or eu-energystar.org using greatest TEC value reported. Actual energy usage may vary. 7. Estimated yield in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit [hp.com/go/learnaboutsupplies](http://hp.com/go/learnaboutsupplies).

---

<sup>1</sup>Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see [hp.com/go/printerclaims](http://hp.com/go/printerclaims). Exact speed varies depending on the system configuration, software application, driver and document complexity. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP Laserjet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demand of connected individuals or groups. HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. Toner cartridge yields established using ISO/ IEC 19798 test methods. Actual yields and costs vary considerably depending on images printed, number of color pages printed, and other factors. Configuration tested was HP LaserJet Enterprise 500 color M551dn base model tested simple printing, A4 paper at an average of 32 ppm. Power savings are based on the country/region where the printer is sold. Do not convert operating voltages; this will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on customer network switch capability, user configuration and network activity. Off-mode power may vary while checking network protocols for print jobs.
