1 Local printing requires mobile device and printer to be on the same network. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. 2 Program availability varies. HP print cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit hp.com/recycle. 3 Automatic two-sided printing is available on the dn and xh model only. 4 HP ClearView Packaging is available on the hx model only. 5 HP High-Performance Secure Hard Disk is available only for the xh model. 6 Optional 500-sheet paper tray and 3 x 500-sheet paper tray are available and sold separately for the n and dn models. 7 Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. 8 Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. 9 Requires an Internet connection to the printer. Feature works with any connected Internet- and e-mail-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see hp.com/go/eprintcenter. And for additional solutions, see hp.com/go/mobile-printing-solutions. 10 Supports the following devices running iOS 4.2 or later; iPad®, iPad® 2, iPod Touch® (3G or later), iPod touch® (3rd generation or later). Works with HP’s AirPrint™ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint logo, iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.

1. Measured using ISO 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. Requires HP Web Services Access Registration, printing-ENDNOTE to a list of supported documents, and image types, see hp.com/go/printerclaims. And for additional information, see hp.com/go/schedule-printing-solutions. Supports the following devices running OS 2.4 or later: (iPod®; iPad®; iPhone®; iSight® or later, iPod touch® 1st generation or later. Works with HP’s AirPrint™ enabled printers and requires the printer to be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint logo, iPad, iPhone, and iPod touch are trademarks of Apple Inc.©, registered in the U.S. and other countries. Duty cycle is defined as the maximum number of pages per month of printed output. This value provides a comparison of product outputs in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and HPF to satisfy the demands of connected individuals or groups. Based on reports that 50% of printed pages per month are within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. Acoustic values are subject to change. For current information please see the HP support. Configuration tested: base model, simple printing, 144 pages at an average of 30 ppm. Power requirements are based on the country/region where the printer is sold. Do not connect operating voltages. This will damage the printer and void the product warranty.© 2013 - 2015 HP Development Company, L.P. The information contained herein is subject to change without notice.
